

## Chief's Report

6/24/2020

Fourth of July-Starts at 10am, should take about 1.5 hours (12 miles at a snail's pace)

New Ambulance-Has arrived, will be here until July 6-7, then on tour

Resumed outside training for fire & rescue, EMS and Business/Operations meetings are still online

Radio maintenance—CrossPoint Communications is providing radio maintenance for all within JCMARS

Water District-They cannot continue hydrant testing and maintenance per the IGA because of problems with hydrants

Look at new CWPP for the district

Deadline for TABOR notice 7/24/20

Resealing parking lot and helipad

Looking for estimates for residing the building

Neighboring department updates

Integration meetings

End of life for airbags-grant opportunities

Calls for May:

4 medicals

2 good intents

4 MVAs

2 Park Rescues

Total of 76 on the year as of today
